Our Story & Mission

Botanic Company, established in 2022, is a leading provider of innovative landscaping, green roof systems, and irrigation solutions in Iraq. With a passion for transforming urban spaces into sustainable ecosystems, we've rapidly expanded our services across the country, delivering high-quality projects that enhance environmental sustainability and aesthetic appeal. Our expertise spans design, installation, and maintenance, ensuring seamless execution and long-term success. From Basra to Erbil, and all major cities in between, we've worked with diverse clients, including companies, institutions, and educational organizations. Our commitment to excellence, professionalism, and environmental stewardship drives us to create thriving green spaces that inspire a healthier, more beautiful Iraq.

MISSION STATEMENT

At Botanic company, our mission is to design and deliver exceptional landscape, green roof, and irrigation system solutions that enhance the beauty and functionality of spaces, exceeding client expectations through quality, innovation, and expertise.

What We Do

01

LANDSCAPING SERVICE

Designing and developing outdoor spaces to enhance beauty and functionality.

02

GREENROOF SYSTEM

Sustainable roofing solutions with vegetation, reducing urban heat islands and promoting eco-friendliness.

03

IRRIGATION SYSTEM

Efficient water management solutions for landscapes.

04

ARTIFICIAL PLANT SHOWROOM

Pots, artificial trees, decorative materials

05

WATER PROOFING

For rooftops, basements, green areas.

Services Offered

LANDSCAPE DESIGN

Full design and implementation of green areas and public/private spaces.

HARDSCAPE

Paving, pathways, decorative elements.

IRRIGATION SYSTEM

Design and installation of automatic/manual systems.

GREEN ROOF SYSTEM

Complete installation with waterproofing and planting.

ARTIFICIAL PLANT SHOWROOM

Pots, artificial trees, decorative materials.

WATER PROOFING

For rooftops, basements, green areas.

Financial Highlights

ANNUAL REVENUE

\$1M - \$1.5M

REGULAR CORPORATE CLIENTS

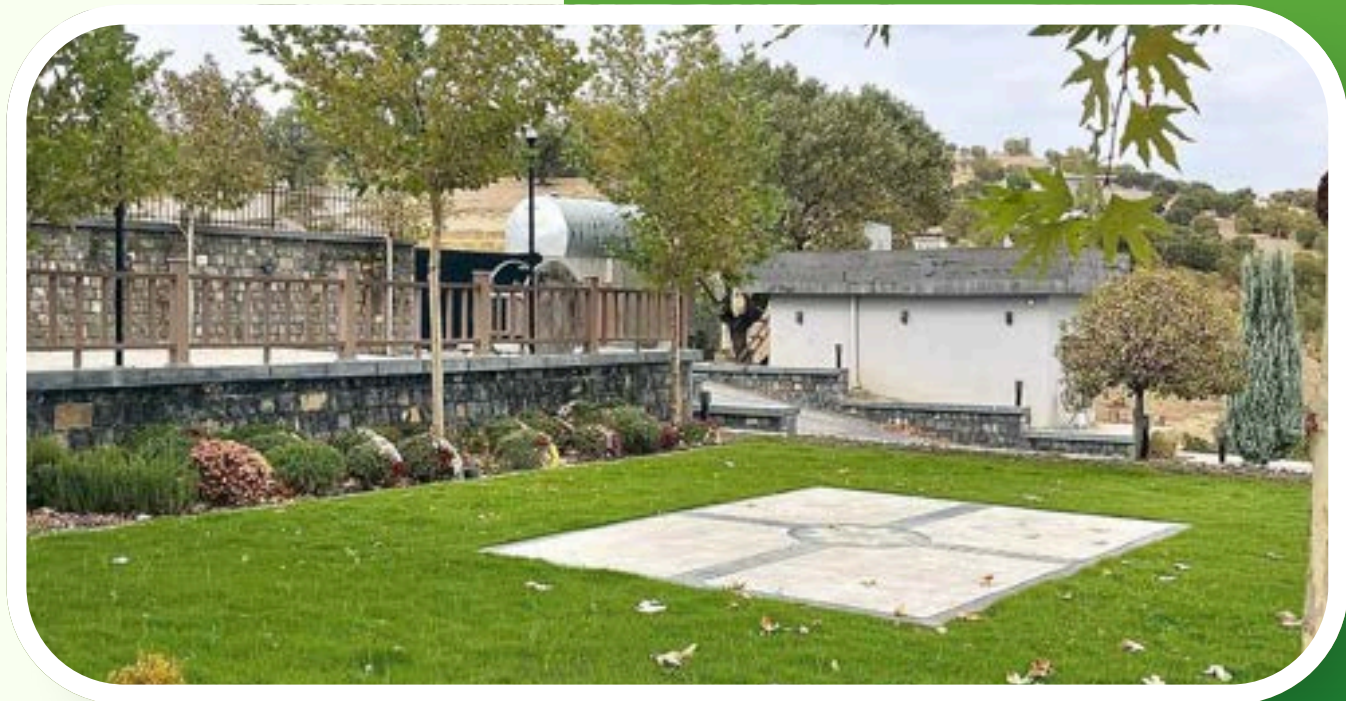

10- 15 major clients in Iraq and Kurdistan

EMPLOYEES

12

PROJECT- BASED WORKERS

3 core staff, more as needed.

Artificial Trees Showroom

Botanic Artificial is a serene haven where nature's beauty meets artistry. Our showroom showcases an exquisite collection of bonsai trees, carefully crafted to evoke tranquility and wonder. Complementing our bonsai selection are elegant pots that enhance the natural beauty of these miniature masterpieces. Discover unique, handmade fountains that bring soothing water features to your outdoor or indoor spaces. Our curated collection invites you to explore the harmony of nature and design, perfect for enthusiasts, collectors, and those seeking inspiration for their own green oasis.
